PERSONAL STATEMENT

I am a second year Games Development student studying at Staffordshire University. I am looking to work at a games company developing/designing games. I have experience making games using C++, and I am currently expanding my knowledge of C++, C#, HTML/CSS, and the game engines Unreal Engine 4 and Unity through my course and reading in my spare time.

SKILLS

- Object oriented programming such as C++
- Understanding of web development (HTML and CSS)
- Knowledge of video editing in After Effects
- Experience of image editing in Photoshop
